

Ticket Eaters®

The TT-2000 Single Ticket Eater®

A fully automated, high speed, stand alone Ticket Eater that counts and destroys tickets and prints a receipt. TT-2000 fills big shoes, but has a small footprint: Only 21" x 21"W x 59"H

A valuable tool to make the redemption process part of the FUN! The customers feed their own tickets into the TT-2000 and enjoy the display and counting process - presenting a receipt to redeem their prizes.

Features

- High visibility five digit 2" LED display of each ticket value and total points counted - 8 to 10 tickets/sec
